

# Web Development Internship

We are a media driven organization based out of Western New York, serving the community. Our mission is to empower Muslims and non-Muslims to voice, connect, and contribute by utilizing creative media. To find out more visit [www.wnymuslims.org](http://www.wnymuslims.org).

## Internship Description:

WNYMuslims is seeking a highly motivated individual with experience and a passion for Web Development to join our creative team. The Web Development Intern will play an important role in the constant structuring, design, and innovation of the organization's website. An ideal candidate will be a hardworking problem solver with excellent communication skills, an eye for design, ingenuity, and experience in web development.

## Responsibilities:

- Website maintenance and building
- Web publishing duties, mostly consisting of website page design, graphic updates, coding and text changes
- Involved in the testing and design of application solutions
- Perform other related duties as assigned.

## Internship Requirements:

- Proficiency with HTML, PHP, JavaScript, and Microsoft Office, and Content Management Systems (CMS) such as Wordpress
- Professional demeanor with excellent written and verbal communication skills.
- Technical proficiency on Mac & PC platforms.
- Ability to absorb requirements while thinking outside of the existing frameworks to accomplish organization objectives
- Self-motivated with excellent time management skills
- Works well in a fast paced and diverse environment, with no trouble working under deadlines

## How to Apply:

Qualified candidates should send a cover letter, resume, and portfolio to [Opportunities@wnymuslims.org](mailto:Opportunities@wnymuslims.org).
