Jami now has an Islamic Library for New Muslims! Located in a little nook on the sister's side featuring a variety of both beginners and advanced, traditional and modern Islamic books. Feel free to stop by to browse or check out a book. It will be open during our main programs. If one would like to visit the library during off hours, you can speak to any Jami team member, or, shoot us an email to open upon request. All are welcome to visit, however, the library is especially designed for New Muslims to be given the opportunity to learn the *deen* through valid sources.
