and countless private sponsors and donors, for their generous contributions, without their support it wouldn't have been possible for us to have such a remarkable event.

Our special thanks to the Village of Williamsville for their cooperation. We highly appreciate the media services of Sun Spin Media, facility management services of Hawk Development, and accounting and management services of Manage Your Business before, during, and after the event.

It's the dedication of the founder of the organization, Prof. Faizan Haq, and his family and the commitment and devotion of our volunteers that made this event so successful, for which we are highly indebted.

In the end, we would like to thank everyone who attended and specially volunteered, without their consistent support, we would not be able to hold such a successful event. We are extremely awed by the overwhelming response of the community, and we hope that we'll get the same retort in the future as well.
