*Salam Shalom
Conversations*

Salam Shalom Conversations – Aug 06, 2019

A second **“Salam Shalom Conversations”** meet took place at Jewish Federation Apartments on **Tuesday Aug 06, 2019.**

There were JFA residents and outsiders attending the lively sharing. Exceptional presence of both communities implied that this venture is gaining support of both communities.

The program started by a brief introduction by Dr. Yonina Foster about SSC and the reason behind its' existence, followed by a speech by Professor Faizan Haq regarding the *Hajj* ritual, one of the pillars of Islam. He emphasized upon the importance of the story of Prophet Ibrahim (Abraham) and Prophet Ismail (Ishmeal) (May peace & blessings upon them), on which the pilgrimage of Hajj is based upon. Later, 11-year-old Yusuf Siddiqui recited a *Nasheed*, a vocal melody about an Islamic belief, practice, etiquette, or lesson about Hajj in his immature but mesmerizing voice. Dr. Yonina Foster shared about the Jewish perspective, text sharing and discussion on the value of life and the ethics of saving a person, a soul, *“Pikuak Nefesh.”* Two references in our texts were from Torah, Book of Genesis 18:22-32, when Abraham argues with God about saving the righteous

song, “*Nefesh Achat*,” arose from the Genesis text and commentary on that in *the Bava Batra*, 11a (commentary on the *Torah*). “If you destroy a single life, then you destroy a world. And if you save that precious life, then you have saved a world. Amazingly, *The Quran*, it was expressed, shared the very same universal message.

We are highly indebted to the community members who joined us at the event. Their presence has encouraged us to organize more events in the future. We hope that the individuals, communities, and organizations who want to foster peace and understanding between our communities will join our caravan. We are Looking for partners to help create opportunities for friendship. Women and men are invited to assist and participate.

We highly appreciate the unprecedented response we got from our community, and we expect the same in the future also as we are planning to come up with more events.

Being one of the most active, dedicated and devoted community organizations of WNY based upon the doctrine of serving the community by creating awareness, encouraging diversity and providing service.

In pursuance of our goals we would request our ever-supportive community members to come forward and help WNYMuslims in emerging as one unified community organization of WNY, without any religious, racial, cultural or other communal bias, in the shape of WNYMuslims Action Committee. We expect the committee members would be available to attend all the meetings, which will be held periodically throughout the year. We would also appreciate if our subscribers can participate and can motivate and mobilize other fellow community members to join our caravan. Volunteering with WNYMuslims is not only associated with community work but also its a great opportunity to polish marketing skills, build experience, and fulfill academic credit and service learning requirements. We specialize in a variety of fields, including public relations, marketing, graphic design, media production, and journalism.

Interested candidates please [email](#) us or click [here](#).

We highly appreciate the tremendous support of the community of WNY in the past and we hope we'll get the same response to our above mentioned request as well. Thanks.

PROJECTS

Expansion Project

Alhumdulillah, we have embarked on a *Masjid* expansion project consist of the following:

Prayer Area for Sisters	Parking Spaces	Expansion of the Main Prayer Area
Proper second-floor prayer area for Sisters (2100 sq. ft., about 2/3 rd area of the current masjid).	Fifty-eight parking spaces are being added.	The main prayer-area is being increased from current 3000 sq. ft. (12 rows) to 5028 sq. ft (20 rows).

The site-plan was approved by the **Amherst Planning Department** in June 2018. We applied for the building permit in January 2019. The **Building permit is now available** to us once we sign contract with a builder. The lowest bid we have is **\$1.2 million** for the building and **\$305,000** for the site work.

Insha Allah, we will start the construction after Ramadan 2019.

So far we have collected **\$805,000**. Please contribute generously to complete this project by mailing your donation checks payable to 'Islamic Society of Niagara Frontier' at the above

payment plan from your checking account.

We request you to contribute generously in order to complete this expansion project for our sisters, brothers, and future generations.

We encourage the members to sign up for **automatic deduction (ACH)** in order to run the operation of the Islamic Society efficiently. At present we have 83 members who have signed up for ACH.

Our goal is to increase the number of ACH-donors to at least 100 by the Ramadan of 2019.

Welcoming Bees!

We would like to humbly welcome our bee family back to the Jami Community. We are honored to have been able to provide them with a temporary abode on our property. They will be settling in the back area for the next several months and we hope, you remain hospitable toward them. If you don't bother them, they won't bother you, Insha'Allah! These blessed families will pollinate and balance the ecosystem near Jami, help our fruit trees and vegetable garden blossom, and revive the fitra in our community. Bees are rare and beautiful creations have been given revelation in the Quran by Allah Ta'la and thus we pray that we are blessed by their presence. May Allah Ta'la make our new family a source of *khair* and harvest for all of us.

Putting the Neighborhood Back In the Hood

was brought forth by W. Deen Mohammed after realizing many of our neighborhoods had lost the concept of a “good neighbor” and were now just known as the “hood”.

Celebrating Muslims and non-Muslims alike, **PTNBH** has been recognized and awarded by the mayor and city of Buffalo for improving community relationships. Now over two decades strong, PTNBH has become a staple in the Fillmore district and continues to grow every year.
