On Sunday March 17, 2019 **Prayer and Vigil** was hosted by **ISNF**, co-sponsored by **WNYMuslims** and **MPAC-WNY** for the victims of New Zealand Massacre, which was attended by the representatives of the following faith communities:

ACCESS of WNY

and the people from different walks of life.

Mr. Fazian Haq, *Founder and President*, **WNYMuslims** emphasized, in his speech, on community awareness about the prevailing negativity against Muslims in the society, "We should look into video games, which project enemies or target shooting in Muslim attire and Muslim countries' flags.' We are inculcating a mindset of negativity in our generation against Muslims. Its a matter of concern not for one community but for all the communities, at large. This hostile narrative can only be addressed by not losing any opportunity of having constructive dialogues in the community, at all levels.

We are extremely grateful to the WNY community for such an over-whelming response and make us realize that we are not alone at the time of this crisis.
