New Book Reading

The Shifa of Qadi Iyad

The famous 6th century Hijra classical text *Ash-Shifa* is widely accepted as the best, most comprehensive and most important book about the Messenger of Allah, may Allah bless him and grant him peace. Its full Arabic title is *Ash-Shifa' bi-ta'rif huquq Mustafa* ("Healing by the Recognition of the Rights of the Chosen One").

JOIN US EVERY EVENING AT 9:15P FOR OUR DAILY TALEEM (book reading with commentary)

Ihya Ulumuddin By Imam Ghazali

The Revival of the Religious Sciences (*Ihyā' 'ulūm al-dīn*) is widely regarded as the greatest work of Muslim spirituality and is perhaps the most read work in the Muslim world, after the *Qur'ān*. The Revival of the Religious Sciences is divided into four parts, each containing ten chapters. Part one deals with knowledge and the requirements of faith—ritual purity, prayer, charity, fasting, pilgrimage, recitation of the *Qur'ān*, and so forth; part two concentrates on people and society—the manners related to eating, marriage, earning a living, and friendship; parts three and four are dedicated to the inner life of the soul and discuss first the vices that people must overcome in themselves and then the virtues that they must strive to achieve.

JOIN US EVERY WEDNESDAY TO READ, WITH THE INTENTION TO FINISH IT IN ITS ENTIRETY

Final Reminder for our Open House Today!

Friends and family of other faith traditions please join us for a program dedicated to peace, love and solidarity. We are looking forward to hosting you.

Effective today, the evening *Taleem* schedule for the seeker is:

- 8:50pm - Adhkar

- 9:15pm - Taleem - book reading & commentary
