[Open World Program 2019](#)
[Interreligious Community Building](#)

International Institute of Buffalo hosted a professional exchange program that connect foreign leaders with their American counterparts to create cross cultural dialogue and solutions to global issues. On **Wednesday October 06** a meeting was held for a project titled 'Interreligious Community Building' under Open World Program 2019 with a delegation from Russia at the head-office of WNYMuslims located at Bailey Avenue. The members of the Russian delegation:

1. **Mr. Aleksandr Yakunin: Graduate Student, Moscow Theological Academy**

3. **Ms. Viktoriya Yatsenko: Notary Adviser, S. Krokhina Notary Office & Minister, Protestant Church**
4. **Mr. Denis Zuban: Priest, Orthodox Parish of the Church of the Icon of the Healer.**

attended the meeting along with a representative of International Institute of Buffalo, Ms Samantha Kittinger and their facilitator, Aleksandr Bryukhanov.

WNYMuslims represented the Muslim community and its members are as follows:

1. **Prof. Faizan Haq, Founding, President**
2. **Farina Mirza, Community Outreach Coordinator**
3. **Sana Iqbal, Govt. Affairs Coordinator**
4. **Taha Khan, Undergrad and an intern.**

Prof. Faizan Haq, started the session with a small presentation about Islam and the present status of Muslims in USA. He also pondered upon the reasons behind the creation of WNYMuslims in 2005 and how successfully the organization is serving, not only the Muslim community of WNY but all the communities as a whole, since then. He further explained the three core values of WNYMuslims; Diversity, Awareness & Service and their connection with the teachings of Quran. He mentioned about the popularity and success of our newsletter 'The Echo' by keeping the community well-informed about the local happenings. Later he explained that how WNYMuslims is providing a platform for youth, and Muslim youth in particular by providing several opportunities for their professional, religious and educational growth. In the end he concluded his presentation by emphasizing upon the need of mutual and linear communication rather than parallel or opposite to have a better understating of Islam.

After the presentation refreshments were served, followed by a visit to a local mosque hosted by Islamic Society of Niagara Frontier. Mr. Taha Khan and Ms. Sana Iqbal presented a guided tour of the mosque along with Ms. Farina Mirza & Prof. Haq during which several questions were put up and responded there and then.. Later on Imam Khalilullah joined the group and answered some relevant questions of the delegates.

The evening ended at a healthy discussion on Interreligious Community Building, it was indeed a learning experience for both sides, Such dialogue strengthens not only communal harmony but also promotes inter-cultural understanding.

Buffalo Nomads

[Buffalo Nomads](#)

With the grace and bounty of God, the Nomads have been serving youth of all backgrounds and faiths in the Western New York area for over a decade. Our main goal and intention is to connect youth to our Lord and Creator. For us to do this, we have tried to implement the true spirit of Islam. Teaching honest truthful prophetic character, empathy and compassion to those needing aid, and resilience coupled with determination to please our Lord.

[What do the Nomads do exactly?](#)

We take yearly international trips to broaden the horizon and get our youth accustomed to different cultures and lifestyles. We offer weekly sporting events from football to wrestling, to even golf. We offer workshops that nurture the mind, soul, and body by holding Quran classes and Islamic sciences needed to acquire sacred knowledge. We also offer classes at universities and programs at the collegiate level. Yearly camping trips and spiritual retreats to tap into the full potential of the youth.

We would like to thank anyone who has supported our cause for the past decade. Truly these programs cannot function without your support. We pray for you and your loved ones that you have best of this world and the next. Amen.

Because our team is growing, we were in need of a larger area to wrestle. Alhamdulillah, we were able to raise over \$2k to buy practice mats. They came in this week! We now have wall to wall coverage for our growing team. Check out some of the pictures of our practices/mats.
Reminder: The Wrestling Mats are ONLY for the Wrestling Team. We want to make sure the team is able to use them for long time without any damage.

Putting the Neighborhood Back In the Hood

PTNBH started in 1996 as a community walk and has now expanded to a weekend of events geared towards celebrating the neighbors and community around Masjid Nu'Man. The concept was brought forth by W. Deen Mohammed after realizing many of our neighborhoods had lost the concept of a "good neighbor" and were now just known as the "hood".

Celebrating Muslims and non-Muslims alike, **PTNBH** has been recognized and awarded by the mayor and city of Buffalo for improving community relationships. Now over two decades strong, PTNBH has become a staple in the Fillmore district and continues to grow every year.
