### **"Orange Zone"**

*(7-day rolling average positivity above 3% for 10 days and the geographic area has 10 or more new daily cases per 100,000 residents on a 7-day rolling average. schools will be required to go temporarily fully-remote for at least two weeks.*

In order to re-open, all students, faculty, and staff must have a negative COVID-19 test result to attend school in-person while also meeting any other New York State Department of Health testing requirements.)

With guidelines going into effect on

**Monday, November 23, 2020** and continue until further notice.

As a result of this, the District will be pivoting to remote instruction pursuant to the New York State Department of Health Micro-Cluster Guidelines.
