### What is Eid?

Muslims celebrate Eid twice a year, *Eid-ul-Fitr* and *Eid-ul-Adha*.

### Dhul Hijjah Approaching

Every year millions of Muslims make their way towards Makkah, to perform Hajj. The pilgrimage is made up of actions that were performed by the Prophet Muhammad (S.A.W) and these actions symbolize the trials of Prophet Abraham. This Pilgrimage occurs in the last month of the Hijri calendar known as 'Dhul Hijjah'

Islam is comprised of five basic pillars, and Hajj is the fifth and final pillar of Islam, but it is only a requirement for those who are unable to afford it and are physically strong enough to complete the pilgrimage.

Muslims perform Hajj with the aim to cleanse their souls and revive their relationship with Allah. It is meant to strengthen the bond among Muslims, as pilgrims come from all across the globe to perform Hajj.

## RAHAMA Housing

In November 2017, RAHAMA purchased a building that will serve as the site for its transitional housing shelter for women and children affected by domestic violence. The purchase price for the building was \$125K. Our first payment of \$60K was paid at closing; our second installment of \$32K was paid in May 2018 and our final payment will be paid in November 2018. After renovations, the 6,300 sq ft. building will be able to house up to 16 women and children. Permits have been submitted to Buffalo City Hall for approval prior to the start of renovations and we hope to be able to house clients by the beginning of 2019.

## Ramadan LaunchGood Campaign Raises \$18K

We would like to express our gratitude for all of our supporters that donated and helped to make our fundraiser a success. Funds will be used for the final payment of 32K due in November 2018. The community will then own the transitional housing shelter without having incurred debt. We could not have accomplished this without your help!

## Catholic Health Reapproves its 2018-2019 Community Benefit Grant for RAHAMA.

In September 2017 RAHAMA hired a part-time case manager through funding provided by Catholic Health's Community Benefit grant. This grant which was just reapproved in July 2018 has allowed us to provide support for the health needs for our clients. Many of the women that we work with have language barriers that make it a challenge for our clients to navigate health and social services. Our case manager works with our clients to link them to resources in the community. Safety planning, accessing food stamps and cash assistance, arranging for medical appointments and medical transportation, goal setting are all offered by our case manager. Strict client confidentiality is maintained for the privacy and safety of our ladies. Case management is by appointment only. Contact 777-3486.
