**Friends of Night People (FONP), a charitable organization who help homeless in Buffalo, are interested in creating a bridge to the local refugee/Muslim community. The director, Joe, wants to add messages on the website and brochures so that refugees understand. Joe wants to distribute halal foods in the pantry but get an understanding of any restrictions. He wants to meet with Muslims so people know that FONP is nearby to help. Joe also would like Muslims to serve food once a month and volunteer. If interested, please contact him through**
