# THE COLLECTIVE

## OUR MISSION STATEMENT

The Collective is a print and online publication comprised of conscientious and informed citizens willing to share their ideas concerns and opinions. This endeavor empowers diverse groups and driven individual to explore possibilities of peace and prosperity in the world full of violence and poverty. We believe in bridging the gaps and leveling the barriers. Our aim is to gather diverse conversations that matter. Our ultimate objective is to lead a collective of informed, knowledgeable, and proactive communities of opinion makers.

**The Collective will be on the front lines creating narrative for a better tomorrow.**

**The Collective** is a place for **all voices** to be heard. If you feel left out and **not represented**, and if you think that no one is listening to you, the collective is a **place for you** to be heard and represented. Writers, photographers, bloggers, community activist, and social media enthusiast: **All are welcome** to express yourself and **claim your space** in today's media. Planning your college career or wanting to go to professional schools? This experience will help you. No voice should be lost in the media blitz, let your voice be heard. **Join us!**

Send us an email at [submissions@theCollectivenews.com](mailto:submissions@theCollectivenews.com) if you would like to share your voice.
