إِنَّا لِلّٰهِ وَإِنَّا إِلَيْهِ رَاجِعُونَ

Surely we belong to Allah
and to Him shall we return.

We, WNY Muslims, are very saddened to hear about our Sufi singer Brother Amjad Sabri , who brought so much joy to our recent concert on May 19th, who was shot by two gunmen in Liaquatbad area in Karachi Pakistan. He died on his way to the hospital.

Sufism in recent years has come under attack from hard-line Muslim extremists. WNY Muslims condemns this murder of our innocent brother and the lack of security and safety in Karachi especially in the Sindh province. "This is an abomination and saner, louder voices against this senseless violence should be heard in Pakistan," says WNY Muslims Project Manager.

Sabri was a very famous Qawwali singer and will be missed by millions of his fans. May Allah SWT give him the highest place in Jannah and give patience to make it easy for his family in these difficult times. Ameen.
