Happy New Year!

Every end marks a new beginning. New Year is celebrated around the globe with much enthusiasm, it symbolizes happy beginnings, renewed energy, and hope for better upcoming years.

Amid the backdrop of constant suffering and grief caused by COVID-19 for the past two years (2020 and 2021), we wish everyone a Happy New Year with the hope that 2022 will keep our spirits and determination unshaken, and we shall enter the road of Covid-free glory under bright and shiny skies.

Kitab-ud-Dua

We are humbly gratified to present our noble gesture, *A Collection of Supplications*, it is our sincere endeavor to express our gratitude towards The Almighty for all the blessings He bestowed upon us and to repent for our sins and to suppliantly pray to our Lord for the eradication of this prevailing pandemic from the face of the earth.

We highly appreciate our community's consistent support, which enabled us to have a strong foothold in the community. We pray that our persistent efforts with our meager resources be accepted by our Creator, and graciously request to everyone to keep us and our loved ones in your prayers as you benefit from this humble effort. May Allah reward you all for your noble actions, contributions and may keep you steadfast in the path of your faith. Aameen.
