The recent actions of the Indian parliament to undo article 370 and 35a of the Indian constitution has annexed the disputed territory of Kashmir between India and Pakistan and has resulted in the Kashmiri lockdown by the Indian security forces. Whereas it has created a human rights catastrophe, it has also contributed to bringing two nuclear armed neighbors eyeball to eyeball. America has been caught in the middle because India is America's new favorite strategic partner and Pakistan is the previously designated most allied ally of the past. The Kashmir dispute stokes religious fervor and ideological divide on both sides of the border.

This presentation will explore the challenges both obvious and hidden in the new development in the possibilities of solutions with or without America's intervention.

**[Know Thy Neighbor – Concept of God](#)**

Held On

At

**St. Joseph University Church**

### **A STEP FORWARD**

WNYmuslims, recently initiated an interfaith collaboration with the Christian community of WNY called 'Know Thy Neighbor', based on its' core values of diversity, awareness & service.

We believe in developing new bonds, strengthening interfaith relationship and spread the awareness about religious and cultural values through social exchange and Know Thy Neighbor will serve as a an interfaith networking channel to promote understanding and exploration of different religious traditions, which will further fortify the bond between the two faith communities and strengthen the diverse neighborhood of WNY.

On Wednesday October 23<sup>rd</sup> the public was invited at St. Joseph University Church for "Know Thy Neighbor's" first conversation.

### **Concept of God**

Panelists:

2. **Ms. Maria Chomicka,** Music Director and Young Adult Minister at St. Benedict Parish in Amherst, NY, and also an under-grad in theology at Christ the King Seminary

4. **Ms. Farina Mirza,** Community Outreach Coordinator, WNYMulumis

and guests shared their knowledge of Christian and Muslim faith for the purpose of educating, finding commonality and joining in shared projects of good works and charity that benefit our community.

The program started with a brief introduction by sister Jeremy Midura followed by a speech by Ms. Farina who explained the concept of God in Islam and pondered upon its distinctive nature and how it affects the belief system of a Muslims believer. Later, Prof. Faizan was invited to the podium, he explained how faith in Allah, Islamic terminology universally used for God among Muslims, keeps them on Sirat – e- Mustaqeem, the righteous path. Further on Deacon Ted Pijacki elucidated the Christian point of view regarding the existence of God based upon Hebrew and Biblical scriptures. Lastly Ms. Maria spoke about the belief of common Christians and how they perceive God.

After the speeches question-answer session was conducted in which a number of questions were put up by the audience regarding the topic, and the panelists tried their best to satisfy them with detailed answers. Lastly the session was ended on the thank you note by the organizers and all the guests were invited for the refreshments.

We would like to thank The St. Joseph University Parish for hosting the event and being so hospitable and we highly appreciate such an over-whelming response from the community, we

## Buffalo Nomads

### Buffalo Nomads

With the grace and bounty of God, the Nomads have been serving youth of all backgrounds and faiths in the Western New York area for over a decade. Our main goal and intention is to connect youth to our Lord and Creator. For us to do this , we have tried to implement the true spirit of Islam. Teaching honest truthful prophetic character, empathy and compassion to those needing aid, and resilience coupled with determination to please our Lord.

#### What do the Nomads do exactly?

We take yearly international trips to broaden the horizon and get our youth accustomed to different cultures and lifestyles. We offer weekly sporting events from football to wrestling, to even golf. We offer workshops that nurture the mind, soul, and body by holding Quran classes and Islamic sciences needed to acquire sacred knowledge. We also offer classes at universities and programs at the collegiate level. Yearly camping trips and spiritual retreats to tap into the full potential of the youth.

We would like to thank anyone who has supported our cause for the past decade. Truly these programs cannot function without your support. We pray for you and your loved ones that you have best of this world and the next. Amen.

We have been working hard in the summer and fall to get our wrestling team in tip top shape for tournaments. See flyers for current hours of wrestling. We have wrestlers from Elementary School to College training with us.

### **New Wrestling Mats**

Because our team is growing, we were in need of a larger area to wrestle. Alhamdulillah, we were able to raise over \$2k to buy practice mats. They came in this week! We now have wall to wall coverage for our growing team. Check out some of the pictures of our practices/mats.  
Reminder: The Wrestling Mats are ONLY for the Wrestling Team. We want to make sure the team is able to use them for long time without any damage.

**Putting the Neighborhood Back In the Hood**

PTNBH started in 1996 as a community walk and has now expanded to a weekend of events geared towards celebrating the neighbors and community around Masjid Nu'Man. The concept was brought forth by W. Deen Mohammed after realizing many of our neighborhoods had lost the concept of a "good neighbor" and were now just known as the "hood".

Celebrating Muslims and non-Muslims alike, **PTNBH** has been recognized and awarded by the mayor and city of Buffalo for improving community relationships. Now over two decades strong, PTNBH has become a staple in the Fillmore district and continues to grow every year.
