A Jewish mother of two named Shira is a member of Shir Shalom Temple who is working with Rabbi's wife, Ashira, to form a local chapter of the Sisterhood of Salaam Shalom (SOSS). Click [here](#) for more details.

They are recruiting committed Muslim and Jewish women to join them. It's an organization that is based on a simple principle-it is real easy to hate someone you do not know and almost impossible to hate someone you care about. Through participation in the SOSS, you will build friendships between Muslim and Jewish women, learn how to be an advocate of interfaith-based issues, participate in community building activity and engage in dialogue and compassionate listening. The ultimate mission is to combat anti-Muslim and anti-Jewish sentiment together.

Please let them or us know if you or anyone you know may be interested in joining.
