Monday, 9/19/16

WNY MUSLIMS is grateful to the law enforcement agencies for arresting a suspect who is believed to be involved in New York and New Jersey Bombings. We, WNY Muslims, urge solidarity with our fellow Americans against this violence and pray for our country to be safe again and free of Islamophobia which usually occurs after these attacks. May God help us live in a peaceful world. Ameen

**Press Contact:** Amber Shaikh, WNY Muslims Project Manager
