**The Opening Chapter of Quran:**

*"I begin with the name of God,
Most Gracious, Most Merciful (love).
All praise is to God, Lord of all the worlds; Most Gracious, Most Merciful (love).
Master of the Day of Judgment.
You Alone do we worship and You Alone do we ask for help.
Guide us to the straight path.
The Path of those on whom You bestowed Your bounties.
Not the path of those who incurred Your wrath or those who went astray."
(Quran 1:1-7)*

Supplication for the Deceased:

O Allah, forgive our living and our dead, our young and our old, our men folk and our womenfolk, those who are with us and those who are absent. O Allah, whomever you give life from among us give them life in Faith, and whomever you take away from us take them away in Islam (submission). O Allah, do not deprive us of Your reward (for supplicating for the deceased) and do not lead us astray after him.
