## Kitab-ud-Dua

We are humbly gratified to present our noble gesture, *A Collection of Supplications*, it is our sincere endeavor to express our gratitude towards The Almighty for all the blessings He bestowed upon us and to repent for our sins, and to suppliantly pray to our Lord for the eradication of this prevailing pandemic from the face of the earth.

We highly appreciate our community's consistent support, which enabled us to have a strong foothold in the community. We pray that our persistent efforts with our meager resources be accepted by our Creator, and graciously request to everyone to keep us and our loved ones in your prayers as you benefit from this humble effort. May Allah reward you all for your noble actions, and contributions and may keep you steadfast in the path of your faith. Aameen.
