Western New York Muslims

Open Mic Event

AMHERST NY: On Friday, February 28th, WNYMuslims inaugurated WNYMSA by holding its first Open Mic event. The idea behind this new venture is to allow our Muslim youth to connect with and explore their cultural identity. The event was directed towards expressing their hidden talents. Young Muslim youth from all types of backgrounds and ethnicities like Pakistan, Gambia, Somali, Bengali, and Black African American and several more got together, they mingled and express their religious ideologies through the medium of poetry and general conversation.

Ms. Sana Iqbal, one of the organizers and a UB student, started the program with a brief introduction about WNYMSA and offered the mic to the audience and from there onward the program went with the flow. Some participants presented their original poems. Ilhan Noor, the Chief Organizer & a senior at UB performed a poem called "hate sonnet". Ishatu a sophomore at UB performed a poem about "Beauty", and Rabia Annie, a new WNYMuslims member performed a poem about being in a dark place. A representative of Jaffarya Center discussed the concept of Islamic banking, which was very informative. After the poetic contributions the event entered into an open discussion and that's what the idea of holding the event to understand the mind-frame of our present youth and clear out prevalent confusions and misunderstandings

It was definitely a night to remember that we wish to recreate. WNYMSA is a new organization that we hope to grow as the youth is our future. WNYMSA is hoping to serve as a platform for our youth to use their freedom of expression. We highly appreciate the presence of all the participants, who made our event worthwhile with their poetic and verbal contributions. Its just the beginning we will definitely organize more events in the near future, so stay connected with us. Last but not the least, we would like to thank Chester's Fried Halal Chicken and Hot Spot Pizza for their generosity for sponsoring the food items of the event.

Buffalo Nomads

Buffalo Nomads

With the grace and bounty of God, the Nomads have been serving youth of all backgrounds and faiths in the Western New York area for over a decade. Our main goal and intention is to connect youth to our Lord and Creator. For us to do this, we have tried to implement the true spirit of Islam. Teaching honest truthful prophetic character, empathy and compassion to those needing aid, and resilience coupled with determination to please our Lord.

What do the Nomads do exactly?

We take yearly international trips to broaden the horizon and get our youth accustomed to different cultures and lifestyles. We offer weekly sporting events from football to wrestling, to even golf. We offer workshops that nurture the mind, soul, and body by holding Quran classes and Islamic sciences needed to acquire sacred knowledge. We also offer classes at universities and programs at the collegiate level. Yearly camping trips and spiritual retreats to tap into the full potential of the youth.

We would like to thank anyone who has supported our cause for the past decade. Truly these programs cannot function without your support. We pray for you and your loved ones that you have best of this world and the next. Amen.

Putting the Neighborhood Back In the Hood

PTNBH started in 1996 as a community walk and has now expanded to a weekend of events geared towards celebrating the neighbors and community around Masjid Nu'Man. The concept was brought forth by W. Deen Mohammed after realizing many of our neighborhoods had lost the concept of a "good neighbor" and were now just known as the "hood".

Celebrating Muslims and non-Muslims alike, **PTNBH** has been recognized and awarded by the mayor and city of Buffalo for improving community relationships. Now over two decades strong, PTNBH has become a staple in the Fillmore district and continues to grow every year.
